WORK EXPERIENCE

Khan Academy - Content Developer

May 2024 – July 2024

As a Content Developer Intern at Khan Academy, I created educational materials, collaborated with experts, and contributed to interactive learning experiences for millions of students.

Kshitiksha Foundation - Student Teacher

March 2024 – May 2024

I developed personalized tutoring plans, conducted interactive learning sessions, and provided support to help students overcome challenges. Additionally, I assisted in organizing educational workshops and community events, fostering a positive and inclusive learning environment.

Teach For India Foundation - Student Teacher

April 2023 – July 2023

As an Intern Student Teacher at Teach for India Foundation, I actively contributed to empowering the underprivileged communities by providing them education through latest technologies available.
